

2020-2021 RESTRICTED BURNING

A **Restricted** burning period is operational in the Murchison Shire from

1st October 2020 to 30th April 2021

Hazard Reduction Work – Bush Fires Act 1954

As a measure to assist in the control of bushfires or prevent the spread of a bush fire, all owners or occupiers of land within the Shire of Murchison are required to install and maintain firebreaks.

Pastoral/Rural Areas

Three metre wide trafficable firebreaks are required to be installed on the land and to be clear of all flammable material. All buildings require a minimum twenty metre clearance of all flammable material and graded/ploughed/hoed or chemical applied firebreaks should be installed at the outer edge of that clearance.

Fuel Dumps (Fuel Storage)

On all land where fuel drum ramps are located and where fuel dumps, whether containing fuel or not are stored, clear and maintain an additional firebreak at least four metres wide around any drum, ramp or stack of drums.

Advice Is Available

Advice on how to protect your home and family from fire, and when and how to burn off, is available from

the Chief Bush Fire Control Officer (CEO) or Community Emergency Services Manager (CESM).

Barbecues Incinerators & Campfires

Gas and electrical barbecues are permitted to be used at any time.

Solid fuel barbecues, incinerators are prohibited on days of VERY HIGH and EXTREME Fire Danger. Campfires are prohibited during the **RESTRICTED** burning period.

Burning Off

Burning is prohibited on days of VERY HIGH or EXTREME Fire Danger. Permits are required during the **RESTRICTED** burning period. A permit can be gained from the Shire Office. A permit is invalid on days of VERY HIGH or above.

FIRE DANGER

Information on Fire Danger Ratings is available at www.dfes.wa.gov.au/firedangerratings
www.emergency.wa.gov.au

The ABC radio also issues information and alerts for your area.

BUSH FIRE CONTROL CONTACT DETAILS

Please note, that under the Bush Fires Act 1954, it is the landowner's responsibility in the first instance to take all possible measures to extinguish a bush fire on your property.

If these measures prove in vain and you require assistance, contact your nearest Bush Fire Control Officer or the Shire Office.

Chief Bush Fire Control Officer

Bill Boehm 9963 7999 (business hours)
 9963 7977 (after hours)
 0428 637 998

Community Emergency Services Manager

Rick Ryan 0438 277 582

Deputy Chief Bush Fire Control Officer (north)

Quentin Fowler 9963 7972

Deputy Chief Bush Fire Control Officer (south)

Tom Foulkes-Taylor 9963 7019

Captain Volunteer Bush Fire Brigade
