My wife Jo and I proudly call Twin Peaks Station (Murchison) home since 2005 running a Pastoral Enterprise, and operating a local Civil Earthmoving business that employs local and Indigenous workforce , contributing directly to our region's growth.

I volunteer with the Murchison Fire Brigade and serve on the Information Bay Working Group, and have been on other committees in the past

Having served as Councillor from 2008–2015 and 2017–2021, I understand the challenges we face and the opportunities ahead. I seek your support to return to council and represent the Shire of Murchison community with energy, integrity, and a clear focus on delivering outcomes that matter.
