My name is Andrew Whitmarsh.

I have lived in the Murchison since December, 2005, managing Byro and Ballythunna Stations. I am married with two lovely daughters.

I am on a couple committees such as CRBA and Murchison LCDC. Also get involved with the local Sports club and Polocrosse club. I also work for CSIRO, as farm station manager.

I endeavour to help out in the region as much as I can to help strengthen our community, especially with our limited numbers. If I get elected, I hope to contribute to making Murchison Shire an even better place.
