9. CONFIRMATION OF MINUTES

9.1 BUILDING COMMITTEE MEETING –21 November 2009

BACKGROUND

Minutes of the Building Committee Meeting of Council have previously been circulated to all Councillors.

VOTING REQUIREMENTS

Simple majority

OFFICER RECOMMENDATION

That the Minutes of the Building Committee Council Meeting of 21 November 2009 are received.

9.2 ORDINARY COUNCIL MEETING –18 December 2009

BACKGROUND

Minutes of the Ordinary Meeting of Council have previously been circulated to all Councillors.

VOTING REQUIREMENTS

Simple majority

OFFICER RECOMMENDATION

That the Minutes of the Ordinary Council Meeting of 18 December 2009 be confirmed.

9.3 AUDIT COMMITTEE MEETING –8 January 2010

BACKGROUND

Minutes of the Audit Committee Meeting of Council have previously been circulated to all Councillors.

VOTING REQUIREMENTS

Simple majority

OFFICER RECOMMENDATION

That the Minutes of the Audit Committee Meeting of 8 January are received.

9.4 SPECIAL COUNCIL MEETING –8 January 2010

BACKGROUND

Minutes of the Special Meeting of Council have previously been circulated to all Councillors.

VOTING REQUIREMENTS

Simple majority

OFFICER RECOMMENDATION

That the Minutes of the Special Council Meeting of 8 January 2010 be confirmed.

9.5 CBD COMMITTEE MEETING –29 January 2010

BACKGROUND

Minutes of the CBD Committee of Council have previously been circulated to all Councillors.

VOTING REQUIREMENTS

Simple majority

OFFICER RECOMMENDATION

That the Minutes of the CBD Committee Meeting of 29 January 2010 be received.

Vehicles and Equipment

Komatsu dozer

Air-conditioning problem has been fixed. Leaking seal in rams on ripper. Pins and bushes very worn, parts ordered and rams being line bored. Has two broken track rollers and this has been fixed.

MRWD Caravan

Went to Geraldton and had air conditioners installed

Maintenance Caravan
Went to Geraldton and had air conditioners installed

Canter Truck
Fuel issue and has been returned to dealer for fixing

Red dolly
Is in Geraldton at Force Equip having brakes and general repairs

Water cart
Has had the diesel pump fitted and plumbed to middle of tank

Old Side Tipper
Brakes and bushes replaced and other general repairs

Old Low Loader
Is at D Trans for inspection and report on design issues with brake boosters

Iveco Prime Mover
Has had air con fan motor replaced

15.1.2 Works Report

Construction Report

McNabbs-Twin Peaks Road-

As at 15 Feb , 13 to bunds to be completed. Full maintenance grade has been completed, job scheduled to be completed by 18 Feb. CEO inspection completed 15 Feb

Murgoo Access Road (Yalgoo Jingamarra)

- Inspected by Acting Works Supervisor Neil Coombe with land holder Mr Reg Seaman. Discussion on 700 meters of access road requiring re-sheeting
-

Maintenance Report

Carnarvon - Mullewa road: -

- Repairs to washout caused by rain during the xmas period

Berringara - Pindar road:

- Maintenance grading commenced at south boundary and working north. Graded Tallering airstrip. Grading Murgoo airstrip, continuing north. Both graders commence back working 28 January.
- CEO inspected 5 February

Twin Peaks Wooleen Rd

- Grading completed. Inspected by CEO 15 February 2010

Meeberie-Wooleen Road

- Grading completed. Inspected by CEO 15 February 2010

Erong Road-

- Inspected by Acting Works Supervisor Neil Coombe 12 February, SLK 0 at Innouendy turnoff, 1.5-7.2 is extremely sandy, requires work to be planned for 2010-11 budget

Mt Gould Road- Maintenance grading done

Byro-Berringara Road-

Butchers Track-

- Inspection carried out on 12 January 2010.
- McConnell Dowel then did 7 days of maintenance grading to conform to agreement
- Visit from Lee Farrell, McConnell Dowel, to update on road reconstruction and camp out.
- Camp to be demobilised by end of February 2010 and road to be restored to original condition.

Woolgorong South Road-

Coolcalya Road-

Ballythunna Road-

Cue Beringarra Road-

- On 13 January 2010 visited this road with Peter George- Crosslands Resources, Ray Smith- Crossland Resources and Carl Dunlop- Roadtech Group.
- Drove south of Miluera and inspected road condition. Discussion on bunding issues as highlighted on road inspection with elected members the previous week
- Drove north to just south of crossing, Crosslands seeking permission to put in a flat bottom drain. Roadtech will put drain in as required after land survey

Balance Sheet
Income Statement Detail
Income Statement by Nature & Type
Income Statement Summary

MATTER FOR CONSIDERATION

Council to consider adopting the monthly financial statements for December 2009 and January 2010

BACKGROUND

Amendments to the Local Government (Financial Management) Regulations 1996 that were gazetted on 20 June 2008 and became effective from 1 July 2008 have resulted in regulations 34 and 35 relating to monthly financial reports and quarterly/triennial financial reports being repealed and substituted with a new regulation 34. The new regulation 34 requires that local government report on a monthly basis and prescribes what is required to be reported with the intention of establishing a minimum standard across the industry.

STATUTORY ENVIRONMENT

Local Government Act 1995

Section 6.4—Specifies that a local government is to prepare such other financial reports as is prescribed.

Local Government (Financial Management) Regulations 1996

Regulation 34 states:

(1) A local government is to prepare each month a statement of financial activity reporting on the sources and applications of funds, as set out in the annual budget under regulation 22(1)(d) for that month in the following detail:

- (a) Annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);
- (b) Budget estimates to the end of month to which the statement relates;
- (c) Actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;
- (d) Material variances between the comparable amounts referred to in paragraphs (b) and (c);
- (e) The net current assets at the end of the month to which the statement relates.

Sub regulations 2, 3, 4, 5 and 6 prescribe further details of information to be included in the monthly statement of financial activity.

STRATEGIC IMPLICATIONS

None

POLICY IMPLICATIONS

Nil.

FINANCIAL IMPLICATIONS

Reports showing year to date financial performance allow monitoring of actual expenditure, revenue and overall results against budget targets.

OFFICER RECOMMENDATION

That:

1. Accounts Paid between December 2009 to February 2010;

TYPE	Voucher	PAYMENT	STATUS	AMOUNT
EFT	1-6, 11, 13-25, 31-54, 64-65	Creditor	Paid	\$ 489,498.44
Cheque	8927-8950	Payroll	Paid	\$ 10260.21
EFT	7-10, 12, 26-31, 55-63	Payroll	Paid	\$ 8508.56

2. Accounts to be Paid

TYPE	Voucher	PAYMENT	STATUS	AMOUNT

3. Salaries and Wages paid between August September of \$87,514.58 is received

16.3 Budget Review 2009-10

File:
Author: Ron Adams, Chief Executive Officer
Interest Declared: No interest to disclose
Date: 9 February 2009
Attachments: 1. Budget review

MATTER FOR CONSIDERATION

Review the 2009-10 Budget.

BACKGROUND

As required by the Local Government Act 1995 Council adopted a budget for the 2009-10 financial year.

Summary of Budget Changes

Governance

Administration

E42280 Photocopier Lease Increase \$6000

Comment: It was decided at the Budget Meeting to lease a photocopier rather than outright purchase a new one. This adjustment is just to make it clear in the account of the lease payments. There is no effect to the budget.

General Purpose Income

I30304 Interest on Municipal Funds Decrease \$10,000
I30305 Interest on Reserve Funds Decrease \$20,000

Comment: The amount of cash that council holds in its Municipal Account has decreased and the change in economic climate has seen interest rates plummet from 7% to 1% for these small holdings

The Reserve funds have increased but the interest rates have also plummeted during the period under review.

Law Order & Public Safety

Nil

Housing

NIL

Community Amenities

E106010 Town Planning Scheme Decrease to \$15,000
E..... Emergency Management Plan Increase to \$7,000

Comment: It is unlikely that the Shires Town Planning Scheme will be expended during this financial year. A reduction in the budget amount is equal to amount required to complete the Emergency Management Plan.

There will be no affect on the financial position of the shire.

Economic Services

Nil

Transport

I121555	Flood Damage	Increase to \$956,948
I121761	MRWA Direct Grant	Increase by \$4328
E122999	Flood Damage	Increase to \$864923

Comment: The actual amounts received and expended in the flood damage are significant even though there is no major affect on council's financial position.

Recreation & Culture

Nil

Other Property & Services

Nil

Capital

Beringarra Pindar Road (near Murgoo Woolshed) Increase to \$135,488

From Schedule 14

E122296 Various Shire Roads Decrease \$35,488

Comment: Transfer of funds from E122296 to Capital Expenditure Account.

Reserve Transfers

Nil

STATUTORY ENVIRONMENT

Local Government (Financial Management) Regulations 1996

reg. 33A (1) between 1 January and 31 March in each year a local government is to carry out a review of its annual budget for that year.

(2) Within 30 days after a review of the annual budget of a local government is carried out it is to be submitted to council.

(3) A council is to consider a review submitted to it and is to determine whether or not to adopt the review, any parts of the review or any recommendation made in the review.

(4) Within 30 days after a council has made a determination, a copy of the review and determination is to be provided to the Department.

STRATEGIC IMPLICATIONS

Nil

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

The changes set out in the budget review give a projected estimate to where the council may be at end of financial year.

Date: 28 January 2009
Attachments: Nil

MATTER FOR CONSIDERATION

Development progress

BACKGROUND

There are a number of developments happening in and around the Shire over the last year.

Council has an Interim Development Order covering the entire shire, which is to be replaced by a Town Planning Scheme in due course.

The following table represents what developments are happening and their progress through the approval process.

	SOM-CBD	CSIRO	ROADTECH	SINO STEEL
	Roadhouse/Motel	Kitchen/Accom	Accommodation	Mining Camp
Demolition Order	Issued	To Be audited	N/A	N/A
Septic Tank Lic	Issued	To Be Audited	To Be Audited	Issued
Building License	Issued	To Be Audited	To Be Assessed	To Be Assessed
Building approval	Approved	To Be Assessed	To Be Assessed	To Be Assessed

STATUTORY ENVIRONMENT

STRATEGIC IMPLICATIONS

MATTER FOR CONSIDERATION

Development progress

BACKGROUND

Boolardy Station

As requested by Council an audit was carried out for Health/Building approvals within the Shire. It was noted that the CSIRO expansion at Boolardy are exempt at present for building approvals under section 373 (3) of the Miscellaneous Provision Act, however, their effluent disposal system and the commercial kitchen are bound by the Health Act and associate legislation.

Contact has been made with the Plumbing Contractor to submit the appropriate application so that it can be assessed under the Health (Treatment of Sewage and Disposal of Effluent and Liquid Waste) Regulations 1974, also it is a requirement for all Councils to keep a list of ATU units within the Shire for servicing purposes.

Roadtech

Roadtech Construction Pty Ltd has a small road maintenance camp to service the road into Jack Hills from Cue. Council records indicate no application or approves have been applied for or issued for the above mention works.

STATUTORY ENVIRONMENT

OFFICER RECOMMENDATION

That Council;

1. Note that the contractor that has installed the ATU System at the Boolardy Site, is currently preparing the necessary applications as required by acts and regulations
2. Roadtech Pty Ltd has been notified and compliance with acts and regulations will be processed in due course.

17.3 Town Planning Scheme

File:
Author: Tony Turner, Geraldton Independent Planners
Interest Declared: No interest to disclose
Date: 15 February 2010
Attachments: Nil

MATTER FOR CONSIDERATION

Status Report on Town Planning Scheme

BACKGROUND

Just an update on the progress of the Town Planning Scheme for you.

I have had meetings with Department for Planning officers here in Geraldton to gain some insight into the format and detail that they will require in your TP Scheme documentation and have been working up a first draft Scheme Text document (in line with the Model Scheme Text) which should be completed this week.

It is then proposed that this document will be looked at by DPI Officers to ensure it meets their initial requirements.

The associated Planning Report/ Strategy as required will then be prepared to accompany the text and mapping.

I have also had some preliminary meetings with representatives of CSIRO and OPR and further meetings are to be arranged within this month to discuss their issues etc. Other meetings will also be held this month with DEC, EPA, and Water & Rivers to establish what if any their requirements will be for incorporation into the Scheme documents.

17.4 ASKAP & SKA INFORMATION

File:
Author: Ron Adams, Chief Executive Officer
Interest Declared: No interest to disclose
Date: 12 February 2010
Attachments:

MATTER FOR CONSIDERATION

Various ASKAP/SKA Issues

Square Kilometre Array in the Mid-WEST

The SKA and what it means

The Square Kilometre Array (SKA) is a major international initiative involving a global consortium of around 19 nations. It is expected to involve approximately \$2.5 billion in capital expenditure and \$250 million in annual operating costs. The SKA will be a massive undertaking that attracts significant scientific benefits. It will also generate economic benefits associated with the construction of next generation infrastructure and the growth of innovative capability. Decisions regarding system design, selection of a host site and funding are still to be made, but are expected to be resolved by a global consortium in 2012.

The SKA is expected to involve the construction of around 3000 15-metre dish antennas and flat 'aperture' array antennas. Approximately half of these will be located at a core site. Outside the core, clusters of up to 20 dishes will be located at approximately 80 distinct locations. Each of these sites will be relatively low impact, covering around 200 metres in diameter.

Australia and New Zealand are working together on a joint bid to host the facility. If this bid is successful, half of these remote stations are likely to be located in the Mid-West within 180 kilometres of the core, and the other half at increasingly lower densities throughout Australia and New Zealand. This configuration will deliver a 5000 kilometre baseline - that is, the distance between the array's core site and its farthest reaches.

The Australia-New Zealand candidate core site has been identified as the Murchison Radio-astronomy Observatory, or MRO. The MRO has already been established as a radio-astronomy reserve and the location for the Australian SKA Pathfinder telescope. Pathfinder is an SKA precursor project and part of a new suite of national radio-astronomy facilities.

From 'blue sky' to reality – a brief history

Australia's involvement in the SKA has been evolving over time. It has included four major milestones:

- In 2005, CSIRO, with support from the Australian and WA Governments and others, submitted a proposal to an international committee for the SKA to be located in Australia, centred on the WA Mid-West
- In 2006, Australia and South Africa were shortlisted as deserving further consideration
- In 2007, the WA and Australian Governments agreed to collaborate on a site proposal
- In 2009, the Australian and New Zealand Governments agreed to cooperate on a joint bid.

Recent achievements

In November 2009, an Indigenous Land Use Agreement with the Wajarri Yamatji people and the Yamatji Marlpa Aboriginal Corporation was registered with the National Native Title Tribunal. This validated the lease of the MRO to CSIRO to allow the Australian SKA Pathfinder telescope to be built and operated there.

The Australian and WA Governments have committed more than \$200 million for infrastructure and other research initiatives associated with radio-astronomy capability. These offer local business opportunities and complement the work of regional authorities keen to diversify into high technology sectors.

These initiatives include:

- The International Centre for Radio Astronomy in Perth
- The Radio Astronomy and Engineering Centre of Excellence at Curtin University
- The Premier's Research Fellowships for astronomy research at WA universities

- The Pawsey High Performance Computing Centre for SKA Science in Perth
- The MRO Support Facility in Geraldton
- The National Broadband Network fibre optic link from Perth to Geraldton.

The Murchison Radio-astronomy Observatory – a world class reserve

Construction of the Pathfinder has commenced at the MRO and is due to be completed by the end of the year. It is a world-class facility in its own right and one of Australia's biggest science projects ever. It is designed to advance our interests in the international SKA project, offer the world's fastest radio survey telescope and showcase the world's premier radio observatory site. In fact, world-class science is already happening at the site through a number of international collaborations.

Work on associated infrastructure is proceeding rapidly, some of which offers opportunities for local and regional businesses. Work expected to commence this year includes:

- Designing and building the MRO Support Facility in Geraldton
- Constructing buildings at the MRO core site
- Testing the core site and surrounding 'remote' sites
- Installing fibre optic cable between Geraldton and the MRO
- Securing power generation for the site, aimed at achieving carbon neutrality by 2015.

Winning the SKA for Australia and New Zealand

The Australia-New Zealand SKA bid must demonstrate to the international community that we are able to secure superior sites in a timely and cost-effective manner, provide security of tenure over those sites and stable governance over the facility's expected 50 year life span. A successful bid will depend on the support of diverse groups with diverse interests, including native title groups, pastoralists and the mining sector.

Potential sites for facilities are still to be identified. CSIRO and the international SKA office in Manchester are working on a site configuration that will identify suitable areas. It will consider internationally-determined standards and take into account topography, the location of settlements, mines and roads, and places of heritage and environmental value. The site configuration is expected to be completed in the first half of this year, allowing more concrete discussions with potentially affected groups.

Our unique advantage – radio-quietness

Low population density and radio-quiet skies make WA's Mid-West a superior candidate for next generation radio-astronomy. Along with Australian and New Zealand scientific, technological and industrial capability, the unique qualities of the Mid-West make it a superior location for the SKA. Continued protection of the core facilities from radio-frequency interference is essential. Some measures are already in place around the core site, including establishment of a Section 19 Mining Exemption Zone and File Notification Area, and federal regulation of licensed transmissions. Community consultation regarding further options for radio quiet protection will be managed by the Australian Communications and Media Authority.

International preparations

Australia is playing an active role in the SKA Preparatory Study, or PrepSKA, to ensure that the highest standards are applied by the international community. PrepSKA is an EU-funded collaboration tasked with developing system design and technology and options for SKA project implementation.

A critical milestone in 2010 will be the International SKA Forum, to be held in The Netherlands in June. The Forum presents an opportunity to showcase our site proposal to international decision makers. Participation by Geraldton representatives and the Wajarri Yamatji people at the 2009 Forum communicated a strong sense of regional support for the project. We plan to present a compelling case in 2010.

The South African Government is also keen to attract the SKA. It is building its own pathfinder telescope, the MeerKAT, at its candidate core site in Northern Cape Province, and will aim to present a strong case at the Forum in June.

MATTER FOR CONSIDERATION

BACKGROUND

In view of the potential number of councillors who could have an "Interest" in discussions involving ASCAP-CSIRO, SKA, OPR and Crosslands, it is possible at times not to have a Quorum.

STATUTORY ENVIRONMENT

Local Government Act 1995

S5.69 Minister may allow members disclosing interests to participate etc in meetings

- (1) If a member has disclosed, under section 5.65, an interest in a matter, the council or the CEO may apply to the Minister to allow the disclosing member to participate in the part of the meeting, and any other subsequent meeting, relating to the matter.
- (2) An application made under subsection (1) is to include-
 - (a) Details of the nature of the interest disclosed and the extent of the interest; and
 - (b) Any other information required by the Minister for the purposes of the application.
- (3) On an application under this section the Minister may allow, on any condition determined by the Minister, the disclosing member to preside at the meeting, and that any subsequent meeting, (if otherwise qualified to preside) or to participate in discussions or the decision making procedures relating to the matter if-
 - (a) There would not otherwise be a sufficient number of members to deal with the matter; or
 - (b) The minister is of the opinion that it is in the interests of the electors or ratepayers to do so.
- (4) A person must not contravene a condition imposed by the Minister under this section.

MATTER FOR CONSIDERATION

Approve engagement of WALGA-Emergency Management Services to prepare the Shires Emergency Management Plan

BACKGROUND

At the December 2009 Ordinary Council Meeting council endorsed;

COUNCIL DECISION

OC091213 Notice of Motion-Emergency Management Plan

Moved Cr BM Seaman, Seconded Cr M W Halleen

**Assess and review hazards and risks facing the Murchison Shire Community.
Identify the municipal resources available for use in the municipal district for use in response and recovery.**

To provide an overview on how the shire plans for and responds to an emergency.

The plan is to be reviewed annually or after an emergency event to detail any changes needed.

That the draft "Emergency Management Plan" will be presented to council at the next full council meeting for endorsement.

Motion put and carried 7/0

WALGA- Emergency Management Services were contacted to prepare a submission to carry out all requirements and compliance issues in developing the Emergency Management Plan on behalf of the Shire.

Emergency Management Services
EM-Powering Communities

**Emergency Management Project
Shire of Murchison
January 2010**

Responsible Officer: Ron Adams

Introduction

WALGA–Emergency Management Services (WALGA-EMS) is pleased to provide this submission in support of the Shire of Murchison to undertake the following emergency management project:

1. **Shire of Murchison Emergency Management Arrangements Project**

WALGA–EMS has prepared this project proposal to deliver high quality cost effective results in accordance with the requirements of the project management plan prepared under the direction of the Shire of Murchison. The project plan and cost estimates are outlined in this document at Attachments A and B.

About WALGA Emergency Management Services

WALGA-EMS commenced operations in June 2008 under the Banner of the Western Australian Local Government Association (WALGA) to assist Local Government by providing sound community based emergency management advice and consultancy services. WALGA-EMS products are designed to follow the requirements as set out in the Emergency Management Act and Regulations, State Emergency Management Policy and procedures. WALGA-EMS assists and compliments the work being undertaken by FESA Community Emergency Management Officer (CEMO) Program. The service is backed by the considerable knowledge base of the WALGA team covering all aspects of Local Government business, policy, advocacy and specialist service delivery. Our aim is to assist Local Government by providing a cost effective human resources alternative while building on the existing skills of Local Government officers.

The Coordinator WALGA-EMS John Lane has built up more than thirty years experience in the emergency management industry as a police officer in WA combined with tertiary qualifications in business management, training and workplace assessment, risk management and emergency management planning. In addition to these skills, John has been involved with Aboriginal communities for many years during his police service in the Kimberley and more recently through his employment with WALGA as the Emergency Management Project Coordinator (Indigenous Communities). He has a sound knowledge of indigenous customs and traditional lore. John is involved within the State emergency management system as a member of a number of the SEMC sub-committees and strategic working groups ensuring that his knowledge of State Emergency management policies and procedures is always current.

John Lane, Projects 2009/10
City of Kalgoorlie-Boulder AWARE funded ERM study of three Eastern Goldfields Indigenous communities
City of Kalgoorlie-Boulder – Preparation of the local emergency management arrangements
City of Geraldton-Greenough Local emergency Management Arrangements
City of Melville AWARE Emergency Management Risk Project
Town of Bassendean AWARE Emergency Management Risk Project
Shire of Denmark AWARE Emergency Management Risk Project
Shire of Merredin Emergency management Arrangements

Project Outline

The role of Emergency Management Services

In line with the project plan, Emergency Management Services will undertake the role of Project Coordinator responsible for the following tasks as outlined in the project plan:

Emergency Management Arrangements Project

- Prepare a detailed project plan;
- Liaise with all relevant government and non-government agencies and communities to implement the project plan;
- Document the implementation strategy of the project plan;
- Organise and facilitate workshops and community consultation as required; and
- Prepare all project documentation including final report to designated stakeholders.

Project Commencement

Emergency Management Services will commence this project upon delivery to WALGA of a Purchase order from the Shire of Murchison. A timeline for delivery of this project will be negotiated between WALGA-EMS and the CEO Shire of Murchison.

Project Plan

As a requirement of this project, a detailed project plan has been prepared. Refer to Attachment A The project plan will be agreed to by both parties to ensure that there is understanding of the project scope, cost and required outcomes.

Supporting Information

WALGA – EMS operates as a line of service of the Western Australian Local Government Association (WALGA) and carries all relevant insurances to cover this project, including:

Professional Indemnity;
Workers Compensation coverage provisions;

Certificates of Currency for all insurances can be viewed upon request.

Commercial Arrangements

We pride ourselves on providing a quality product, value for money and a full commitment to these projects. Direct communication by telephone and electronically will be maintained at all times during the project and for support purposes.

Schedule of Fees

Consulting time is accounted for as described in the project plan.

Travel, disbursements and consultancy fees will be billed at the completion of each project stage as outlined in the project plan at Attachment A. Fees charged against this project are outlined in Attachment B

A schedule of fees is described in the following table:

Consultant	Hourly Rate (Excluding GST)
John Lane	\$140/hr
Jacque Taylor (Administration Assistant)	\$40/hr

It is anticipated that at least two visits would be required to undertake stakeholder consultation in partnership with the Shire of Murchison, LEMC and other stakeholders as appropriate to ensure the correct level of consultation is achieved.

WALGA – EMS will provide the services of a consultant for the duration of the project on the basis outlined in the project plan Attachment A.

ATTACHEMENT A – Project Plan

Project Stage	Description of Activities

	Sub Total	6220
	10% GST	622
	TOTAL	\$6,842

TERMS OF ENGAGEMENT

The Association offers this service in accordance with its General Conditions for the Engagement of Consultancy services, however specifically notes the following with respect to this proposal:

1. Allocations of time contained within this proposal are estimates only.
 2. Should the extent of the project be less than the stated assumptions the cost will be revised downwards.
 3. Emergency Management Services reserves the right to access all materials and notes relating to risk studies conducted by the Shire of Murchison.
 4. We reserve the right to renegotiate the cost of our engagement if it is agreed that there is a greater need for review or assessment of activity.
 5. The Association does not take financial responsibility for the outcome of the project or the performance of any service provider appointed by the Shire of Murchison.
 6. Formal acceptance of the services outlined by this proposal must be accompanied by a purchase requisition for the full amount of the project as outlined in Attachment B.
- WALGA-EMS will raise an invoice at the satisfactory completion of each project phase.

Division 2 Emergency management arrangements for local governments
s.

Division 2 — Emergency management arrangements for local governments

41. Emergency management arrangements in local government district

- (1) A local government is to ensure that arrangements (***local emergency management arrangements***) for emergency management in the local government's district are prepared.
- (2) The local emergency management arrangements are to set out —
 - (a) the local government's policies for emergency management;
 - (b) the roles and responsibilities of public authorities and other persons involved in emergency management in the local government district;
 - (c) provisions about the coordination of emergency operations and activities relating to emergency management performed by the persons mentioned in paragraph (b);
 - (d) a description of emergencies that are likely to occur in the local government district;
 - (e) strategies and priorities for emergency management in the local government district;
 - (f) other matters about emergency management in the local government district prescribed by the regulations; and
 - (g) other matters about emergency management in the local government district the local government considers appropriate.

- (3) Local emergency management arrangements are to be consistent with the State emergency management policies and State emergency management plans.
- (4) Local emergency management arrangements are to include a recovery plan and the nomination of a local recovery coordinator.
- (5) A local government is to deliver a copy of its local emergency management arrangements, and any amendment to the arrangements, to the SEMC as soon as is practicable after they are prepared.

42. Reviewing and renewing local emergency management arrangements

- (1) A local government is to ensure that its local emergency management arrangements are reviewed in accordance with the procedures established by the SEMC.
- (2) Local emergency management arrangements may be amended or replaced whenever the local government considers it appropriate.

43. Local emergency management arrangements to be available for inspection

- (1) A local government is to keep a copy of its local emergency management arrangements at the offices of the local government.
- (2) The arrangements are to be available for inspection, free of charge, by members of the public during office hours.
- (3) The arrangements may be made available in written or electronic form.

STRATEGIC IMPLICATIONS

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

As this cost is unbudgeted, there is an allowance in Account E for the development of the Town Planning Scheme, which is not going to be utilised this financial year. A transfer of the required funds from this account to Account E and the necessary budget adjustment will be required.

18.3 Roadhouse Operators

File:
 Author: Ron Adams, Chief Executive Officer
 Interest Declared: No interest to disclose
 Date: 21 January 2010
 Attachments: Nil

MATTER FOR CONSIDERATION

Position of roadhouse operators

BACKGROUND

Anne Cheffers, the current lessee of the Oasis Roadhouse has indicated that she will not be exercising her option to continue as the operator of the Road house beyond February 2010..

Council has left it up to the CEO to advertise and engage people for this position or opportunity the last few times this has occurred.

As the development of the CBD has occurred since Ms Cheffers was engaged Council may wish to explore any options for the new facility.

Ms Tanya Hunter will commence operating the Oasis Roadhouse effective from 1 March 2010. Ms Hunter has been assisting Ms Cheffers over the past couple of months. Ms Hunter is aware that she is a temporary solution until resolved by council. Ms Hunter will be an applicant for the opportunity in due course.

The standard lease arrangement will be a one year lease with four more options. The Cafe and Restraunts act allows for a five year lease arrangement.

The position as it stands now requires the lessee to run and operate their own business. The following requirements of the lessee are to;

- Maintain and service the ablutions
- Maintain and service the Caravan Park
- Maintain and service the motel units
- Operate the freight depot shed
- Service the fuel station
- Maintain all parks and gardens within the CBD

With the inclusion of a “Tourist” section in the roadhouse the lessee will be required to maintain and operate this facility.

STRATEGIC IMPLICATIONS

POLICY IMPLICATIONS

1.0 Infrastructure

OBJECTIVE

1.1 Continue to enhance and develop facilities according to community needs

6.0 Creating Opportunities

OBJECTIVE

6.1 Aggressively pursue economic development opportunities

MATTER FOR CONSIDERATION

Freight Service to Murchison

BACKGROUND

The freight service to Murchison has been operating for the past twelve months on a once a week cycle to Murchison.

The freight service has been developed over the past twelve months and a new freight depot has been built through funding by the Regional Infrastructure program.

The freight depot has commenced being utilised on 18 February 2010.

The contract for the service of delivering freight to Murchison is to expire at the end of February.

STRATEGIC IMPLICATIONS

1.0 Infrastructure

MATTER FOR CONSIDERATION

Discuss and set the position for the Works Supervisor

BACKGROUND

Council operate the following outside workforce;

The last time this position was vacant the following Position Description was used;

SHIRE OF MURCHISON

Works Supervisor

POSITION DESCRIPTION

1. **TITLE:** Works Supervisor
2. **LEVEL:** Senior Management – AWA Negotiated
3. **SECTION:** Works and Services
4. **POSITION OBJECTIVES:**

- 4.1 **Objectives of Position**

- Manage and control the Shire's works construction and maintenance whilst liaising closely on all matters with the Chief Executive Officer.

- 4.2 **Within Section**

- Manage the Shire's works and services section in a safe and highly efficient manner.

- 4.3 **Within Organisation**

- Liaise and provide advice to the Chief Executive Officer and Council, public, public authorities and contractors on matters required for the implementation of the works program.

5. **REQUIREMENTS OF THE POSITION:**

- 5.1 **Skills**

- 5.1.1 Developed team building and leadership skills.
 - 5.1.2 Developed time management skills.
 - 5.1.3 Developed verbal and written communication skills.
 - 5.1.4 Developed public relations and interpersonal skills.
 - 5.1.5 Basic skills in the use of levels and surveying.
 - 5.1.6 Developed skills in the use of all council owned Machinery including Grader, Loader, Trucks, Rollers and Water Tanker.

- 5.2 **Knowledge**

- 5.2.1 Sound knowledge of Occupational Health, Safety and Welfare legislation, Equal Opportunity legislation and policies.
 - 5.2.2 Working knowledge of award conditions and dispute procedures.
 - 5.2.3 Sound knowledge of current road construction and maintenance techniques and the related operation of heavy plant.

- 5.2.4 A strong mechanical background to carry out minor repairs and troubleshooting. Council utilises the services of a fully qualified heavy duty plant mechanic for all servicing and repairs to significant plant items.

5.3 Experience

- 5.3.1 At least 3 years experience in a supervisory/coordinating role in the construction and maintenance of road works.

5.4 Qualifications and Training

- 5.4.1 Hold or be well progressed towards a Supervisors Certificate or similar, alternatively, have practical experience in this field.
- 5.4.2 Hold a current unrestricted “HC” class drivers licence.

6. KEY RESPONSIBILITIES

- 6.1 Competent and daily operation of council machinery.
- 6.2 Manage the operation of Councils outside workforce.
- 6.3 Ensure that safe work practices are adhered to and ensure safe work standards are maintained.
- 6.4 Liaise with the CEO to arrange materials, plant and human resources as required for Works Program.
- 6.5 Monitor the preparation of employee time sheets and verify attendance and time allocations.
- 6.6 Liaise with public utilities and authorities for the co-ordination of works and the protection of services.
- 6.7 Liaise with the CEO to prepare programs and estimates for engineering budgets and ensure the progress of works and expenditure against budget allocations.
- 6.8 Co-ordinate and supervise contractors and works contracts.
- 6.9 Prepare monthly report to the Chief Executive Officer and Council on progress of works, condition of plant and other matters considered relevant.
- 6.10 Ensure that all accidents, workers compensation issues and other issues are reported and documented.
- 6.11 Liaise with the CEO to ensure the maintenance of Councils plant and equipment is in good working order.
- 6.12 Attend Council meetings as required and ensure prompt and appropriate action to implement Council decisions.
- 6.13 Assist with effective performance reviews and training of all employees.
- 6.14 Ensure the effective and efficient communication of information between the CEO, employees and the community.
- 6.15 Encourage and foster a team approach to all operations.
- 6.16 Assist the CEO prepare job specifications and instructions for budgeted works.
- 6.17 Any other duties consistent with the level of this position and principles of broad banding.

7. ORGANISATIONAL RELATIONSHIPS.

Designated Senior Employee Local Government Act 1995 S5.37

- 7.1 Responsible to:** Chief Executive Officer.

7.2 Supervision of: Outside staff comprising:-

Construction Crew

Leading Hand.
2 x Plant operators.

Maintenance Crew

Leading Hand
1 x Plant Operator

7.3 Internal and External Liaison:

Internal: President and Councillors.
Chief Executive Officer.
Other Staff and Employees.

External: Public Utilities and Authorities.
Suppliers.
Ratepayers.
General Public.
Government Departments, MRWA etc.

8. EXTENT OF AUTHORITY.

Operates under direction of the Chief Executive Officer within the established guidelines, procedures and policies of Council as well as statutory provisions of the Local Government Act and other legislation.

Engages staff in conjunction with the Chief Executive Officer.

9. SELECTION CRITERIA.

9.1 Essential.

- 9.1.1 Developed team development and leadership skills.
- 9.1.2 Developed time management skills.
- 9.1.3 Developed verbal and basic written communication skills.
- 9.1.4 Developed public relations and interpersonal skills.
- 9.1.5 Basic skills in the use of levels and surveying.
- 9.1.6 Working knowledge of Occupational Health , Safety and Welfare Regulations, Equal Opportunity legislation and policies.
- 9.1.7 Working knowledge of award conditions and dispute procedures.
- 9.1.8 Sound knowledge of current road construction and maintenance techniques and the related operation of heavy plant.
- 9.1.9 Working knowledge of information technology including current engineering and spreadsheet software.
- 9.1.10 Sound knowledge of plan and design interpretation.
- 9.1.11 At least 5 years supervisory experience in the construction and maintenance of road works for local or public authorities or private contractor.
- 9.1.12 Hold a Supervisors Certificate or similar.
- 9.1.13 Hold a current "HC" class Motor Drivers Licence.

9.2 Desirable.

- 9.2.1 Developing knowledge of Councils organisational structure and function.
- 9.2.2. Knowledge of the Shire district.
- 9.2.3. Working knowledge of signage requirements in respect of works on Roads.

The salary package was as follows;

WORKS SUPERVISOR - SALARY PACKAGE

The Works Supervisor will be offered a salary package in the range as indicated below. The final package will be negotiated according to the successful applicant’s qualifications and experience and subject to the terms and conditions of the Contract of Employment.

The Successful applicant will be required to enter into an Australia Workplace Agreement (AWA) prior to the commencement of employment. A copy of the AWA is available from the Shire Office on request.

12.1	Salary Package Range	Minimum	Maximum
12.1.1	Salary (cash component)	\$65,000	\$68,000
12.1.2	Motor Vehicle	\$7,800	\$7,800
12.1.3	Superannuation	\$5,850	\$6,120
12.1.4	Super (Employer to match max 5%)	\$3,250	\$3,400
12.1.5	Housing	\$5,200	\$5,200
12.1.6	Professional Development – (up to)	\$1,000	\$1,000
12.1.7	Telephone Rental Reimbursement	\$360	\$360

MATTER FOR CONSIDERATION

Minister Castrilli's offer to Shire of Murchison to join a Regional Transition Group

BACKGROUND

Minister Castrilli sent a letter to each local government outlining the next steps in his reform agenda.

The reform process now revolves around two groups;

Regional Transition Group (RTG)

Regional Collaborative Group (RCG)

Key points in the Ministers letter as quoted are;

- The process remains voluntary. The decision to participate is a matter for each local government.
- The ultimate membership of each group is also up to local governments to determine.
- Due to factors of remoteness and distance, I have invited local governments in the Kimberly, the Pilbara, the northern Goldfields and the Murchison to consider participation in a Regional Collaborative Group (RCG)
- Other local governments are invited to consider participating in a an RTG

The Shire of Murchison is being invited by the Minister to participate in a Regional Transition Group (RTG)

The Regional Transition Group in essence is the path to amalgamation with other shires. The model agreement and process clearly defines this. However, this option still has an "opt out clause"

I attended a meeting on 5 March 2010 at Mt Magnet as a "briefing" session with the Department of Local Government and the other Murchison Shires, and by telephone Upper Gascoyne.

The Departments representatives were Jennifer Matthews, Director General and Chris Berry, Structural Reform Officer.

The following representatives were in attendance;

Ron Adams, CEO, Shire of Murchison
Kim Hastie, ACEO, Shire of Yalgoo
Terry Iturbide, President, Shire of Yalgoo
Tom Hutchison, Councillor, Shire of Meekatharra
Roy McClymont, CEO, Shire of Meekatharra
Norm Trenfield, Councillor, Shire of Meekatharra
David Burton, CEO, Shire of Mt Magnet
Ashley Dowden. Councillor, Shire of Mt Magnet
Peter Money, CEO, Shire of Cue
Stephen Manning, President, Shire of Cue
Beth Walton, President, Shire of Sandstone
Adam Seiler, CEO, Shire of Sandstone

- Jennifer Matthews thanked everyone for turning up and began an introduction
- Ashley Dowden asked if the “no opt out clause was in or out” because he could see no benefit of this meeting should it be in , and his council would not want to participate if it was not.
- Ms Matthews explained that things have changed a bit since that draft eg: not opt out clause gone.
- Mr Dowden said he would not sit through all this if the no opt out was in.
- Ms Matthews explained that the Minister was offering a Regional Business Plan with financial assistance. If still “no” , councils can opt out.
- Terry Iturbide The Minister is all over the shop here, What guarantee is that he is not going to change his mind again.
- Ms Matthews did not respond, but said Murchison was in a Regional Collaborative Group and that the draft agreements would be out next week.
- Norm Trenfield said he was not listening to anymore of this bullshit ...and left the meeting.
- Mr Dowden said the Minister has lost our confidence...and left the meeting.

This meeting was by design to be the briefing session the Minister refers to in his letter.

Note- Shire of Murchison received their letter on 11 February 2010.

The Minister asks in his letter for Council to advise him of its willingness to proceed to a RTG or RCG by 26 March 2010.

This Councils position has been to stand alone, but if required would look towards the Shire of Upper Gascoyne rather than east to the greater Murchison.

CONSULTATION

President, Simon Broad

COMMENT

The Minister has provided the Shire of Murchison with a clear indication that its wants it to form a RTG process. This is the process for amalgamation.

The Minister has recommended we join this process but has not indicated who he wants the Shire to form a RTG or amalgamate with.

However, both process' have a "opt out clause", but who could predict what changes may occur if local governments go with a RTG.

There is no value in having meetings with other shires until the Minister accepts or rejects your intention to join either group. I am suggesting that if the Shire of Murchison states as it already has in the past that we would be willing to form a Regional Collaborative Group with the Shire of Upper Gascoyne , then I am certain he would reject the proposal as he is only offering to us to form a RTG

VOTING REQUIREMENTS

Simple Majority

OFFICER RECOMMENDATION

That Council;

1. Inform the Minister that the Shire of Murchison is willing to form a Regional Collaborative Group with the Shire of Upper Gascoyne to explore future business partnerships.
2. If the Minister accepts the Shires offer then it will arrange and negotiate with the Shire of Upper Gascoyne to the formation of such a group.

18.7 Compliance Audit Return

File:
Author: Ron Adams, Chief Executive Officer
Interest Declared: No interest to disclose
Date: 15 February 2010
Attachments: Compliance Audit Return 2009

MATTER FOR CONSIDERATION

To endorse the Compliance Audit Return

BACKGROUND

The Chief Executive Officer is required to complete a Compliance Audit Return and submit for comment and endorsement, before sending it to the Department of Local Government.

The Compliance Audit Return is a checklist of compliance of statutory obligations relating to the provision of, and management of a local government.

STATUTORY ENVIRONMENT

Local Government Act 1995

s 7.13 Provides for a local government to complete the audit return

Endorse the compliance audit return for 2009

18.8 Committee Payments- Non Elected Members

File:
 Author: Ron Adams, Chief Executive Officer
 Interest Declared: No interest to disclose
 Date: 15 February 2010
 Attachments: Compliance Audit Return 2009

MATTER FOR CONSIDERATION

To approve a policy for payments to members of committees who are not an elected members or an employee.

BACKGROUND

Council operate four committees, Plant, Building, Audit and CBD Committee.

The Plant, Building currently consist of elected members and the CEO, the Audit committee consist of only elected members. The CBD committee consists of two elected members, the CEO and a community member.

In the establishment of committees, council can appoint people who are not elected members or who are not council employees.

The Local Government Act 1995 sets out the framework for payment for committee members and the Local Government (Administration) 1996 regulations prescribe a payment range for the committee members.

Committee Members who are not elected members are not entitled to be paid a “meeting fee”. Council may resolve to pay non employee’s expenses. These expenses would include travel to a meeting or accommodation and meals should the committee be requested to make a trip or attend particular meetings on behalf of council.

As part of the annual budget process each year, council resolve to adopt a travel allowance per kilometre. The current allowance is \$1.30 per kilometre.

Council requested a draft policy be presented at the next ordinary meeting;

COUNCIL DECISION

OC091212 Notice of Motion-Draft Policy non elected member payments

Moved Cr BM Seaman, Seconded Cr W McL Mitchell

- A specific amount and the budget requirements.**
- The maximum amount allowable under the act**
- The legislation under which the action can be taken**
- That the draft policy will be presented to council at the next full council meeting for endorsement.**

Motion put and carried 7/0

8.1 Councilors' Expenses

Introduction

Objective

Statutory Context

Formal Record

History Adopted October 2005
 Reviewed November 2008

Policy Statement

8.1.1 Members Meeting Expenses

Councillors shall be paid for travel, meeting expenses and communication allowance at a rate set by Council annually. Travel Payments will be paid in arrears on an as required basis but are not to remain outstanding for more than six months. Meeting attendances will be made on a bi-annual basis, usually in December and June or each year. Councillors are required to complete a travel claim form to receive refunds.

8.1.2 Conference, Seminar and Training Course Attendance

Prior to any Councillor attending a conference the matter is to be discussed at the Council meeting prior to the conference and a motion put and carried supporting which councillors are to attend the conference and in what capacity.

When attending a conference, where the CEO is attending the same one, an attempt should be made to travel to and from the conference with the CEO in Council's vehicle.

When attending a conference in the capacity of a councillor, Council agree to pay the following charges where applicable:

8.1.3 Accommodation

On an as required basis and is dependant of the distance required to travel. For example a three day conference in Perth commencing on Friday morning and finishing late on a Sunday afternoon council would agree to pay for accommodation on the Thursday, Friday, Saturday and Sunday evenings as an allowance needs to be made to travel between Perth and Murchison.

A half day conference in Geraldton between 10.00am and 3.00pm it would be fair to suggest that travel to and from Geraldton would be possible in the same day and accommodation would not be required in this instance.

If any doubt exists regarding the need for council to provide for accommodation for any councillor or staff member the final determination shall be at the discretion of the CEO.

8.1.4 Parking

Council will meet all valet parking charges while attending a conference where applicable.

8.1.5 Meals General

Council will meet meal charges while attending a conference for the person attending the meeting or conference only. No additional meal charges for spouses or partners will be paid by Council with the exception of Local Government Week (See item 11.6.4).

8.1.6 Meals Local Government Week

Council will meet meal charges for the councillor or staff member attending Local Government Week AND meal charges for their spouse or partner who may also be attending this conference. Any additional meal charges for friends, family and children etc are to be paid for in full by the Councillor or staff member prior to checkout.

STATUTORY ENVIRONMENT

Local Government Act 1995

S5.100 Payments for certain committee members

- (1) A person who is a committee member but who is not a council member or an employee is not to be paid a fee for attending any committee meeting.
- (2) Where-
 - (a) A local government decides that any person who is a committee member but who is not a council member or an employee is to be reimbursed by the local government for an expense incurred by the person in relation to a matter affecting the local government; and
 - (b) A maximum amount for reimbursement of expenses has been prescribed for the purposes of section 5.98(3)(b)

The local government must ensure that the amount reimbursed to that person does not exceed that maximum.

S5.101 Payments for employee committee members

- (1) A committee member who is an employee is not paid a fee for attending any committee meeting.
- (2) Nothing in this section prevents a local government from reimbursing an employee for an expense incurred by the employee in relation to a matter affecting the local government.

OFFICER RECOMENDATION

Council adopt the following policy

1.4 Committee Payments.

Introduction

The Local Government Act 1995 provides two different classifications of expenses that can be reimbursed to members. They are those that “shall” be paid and those that “may” be paid. This policy is to deal directly with committee members that are not either an elected member or an employee of the local government.

Objective

To establish the basis upon which Council will reimburse travel and other expenses pursuant to section 5.98 of the Local Government Act 1995 (Discretionary Expenses)

Statutory Context

Local Government Act 1995

S5.100 Payments for certain committee members

- (1) A person who is a committee member but who is not a council member or an employee is not to be paid a fee for attending any committee meeting
- (2) Where-
 - (a) A local government decides that any person who is a committee member but who is not a council member or an employee is to be reimbursed by the local government for an expense incurred by the person in relation to a matter affecting the local government; and
 - (b) A maximum amount for reimbursement of expenses has been prescribed for the purpose of section 5.98(3)(b)

S5.98 (3)(b) where a local government has set the extent to which the expense can be reimbursed and that the extent is within the prescribed range (if any) of reimbursement, to that extent

History

Policy Statement

Council will reimburse expenses as set out in Policy 8.1 Councillor Expenses to members of committees who are not elected members or employees of the Shire of Murchison.

18.8 Annual Report 2008-09

MATTER FOR CONSIDERATION

To accept the Annual Report for 2008-2009 and set a date for Annual Electors Meeting

BACKGROUND

The Draft Annual Report has been previously circulated to councillors.

This report is to contain certain reports as required by various pieces of legislation.

The Annual Report once accepted by the local government is to advertised as being available for review by interested parties

STATUTORY ENVIRONMENT

Local Government Act 1995

s5.53 Provides for the guidelines for Annual Reports and what is to be included in the report.
s5.54 Provides for the process for the acceptance of the annual reports

Local Government (Financial Management) Regulations 1996

r 36 Provides what is required to be presented in the financial statements

r 51 Provides for actions required by the CEO for annual financial statements
