The Shire of Murchison Wild Dog Control Bounty Scheme has been developed to offer a bounty of:

\$100 per dog for every wild dog killed (until Annual Budget limit is reached).

\$10 per tail for donkey & camel tails. (until Annual Budget limit is reached).

It covers all stations within the shire of Murchison.

All claims are to be made by the station owner/manager. Persons destroying the dog must take the scalp to the property owner/ manager. The property owner/manager makes their own arrangements with the person who destroyed the dog regarding payment.

Scalps are defined as the two ears and the strip of scalp connecting them.

Property Owner/Manager must complete the form with all details and verify number of scalps. Property Owner/Manager is then responsible for getting the forms and the scalps to one of the three regional coordinators for authorisation.

Once regional coordinators have authorised payment the form is to be sent to the Shire of Murchison who will make the payment to the claimant and maintain a data base of all the details.

A professional Dogger can't sign off on his own scalps if he is Regional Coordinator.
